Deadline for travel subsidies application is October 1st. Funding for subsidies varies and will be determined early in the new year.

Competitors must be eligible to represent Alberta according to the AHTA policies guide.

Competition subsidies are considered for the following:

1. North American Young Rider championships | National or interprovincial championships | International competitions
2. Others considered on individual basis. Preliminary, Intermediate, Advanced or FEI competitors traveling out of province due to lack of provincial competition at that level.
3. Out-of-Province and/or Country results for divisions offered within Alberta will be excluded from the leader board.

Out-of-Province and/or Country results will still be accepted for divisions not offered in Alberta in order to continue to recognize AHTA members competing at higher levels including CIC\*/CCI\*, Intermediate & CIC\*\*/CCI\*\*, Advanced & CIC\*\*\*/CCI\*\*\*/CCI\*\*\*\*.

Out-of-Province and/or Country results must still be submitted prior to October 1 of each year to qualify for travel subsidies.

Subsidies will not be awarded to competitors who attend out of province events that conflict with events offered in Alberta at their level of competition.
