

## **RED DEER GREENHAWK TIPPERARY 3015 EVENTER PRO VEST ORDER**

Equestrian Canada has updated their safety standards for the safety vests worn for the cross country phase. They must now be ASTM certified, and denote this certification directly on the vest. As such, many competitors will be having to update their vest for the 2019 season.

Red Deer Greenhawk has generously offered an **incredible 25% discount** to our membership on the Tipperary Pro Eventing vest, which meets the newly required safety regulations. This vest regularly retails for \$399.00 + GST. **After the 25% discount, the price of the vest will be \$299.25 + GST.**

Please note, this discount is only valid on the 3015 Eventer Pro vest, and only at the Red Deer Greenhawk location. Vests must be pre-ordered by end of day on **February 14, 2019**. Please visit the store directly for assistance in fitting a vest.

The vests are available in 5 different colors, however there is limited stock we are drawing from, so you must provide your top 3 choices. You **MUST** be okay with any of the 3 options, however they will attempt to order your first choice before your second and so on.

You must submit the attached form, and payment in full, to have your vest ordered. There will be no **refund or exchanges** made once you have made your purchase. Please call or visit the Red Deer Greenhawk store to make your payment.
