Teams to consist of 3 or 4 riders. Each event is considered a separate competition, so you do not need to have the same team for the year. Only 2 riders on a team can be in the same division. Riders who have more than one horse competing can be on same team as long as you still have the mixed divisions.

Only the top 3 scores (lowest penalties) will count – highest penalty score will be dropped. As to not eliminate teams, a score of 500 will be given to a W, R, E or RF.

Competition sign up sheets are at or near the show office. Place completed forms in the envelope provided. At events where Sponsors Extreme Tack is set up you can also drop them off there. All forms must be in prior to the start of dressage. Please make sure to fill in completely.

This is offered by the AHTA and Extreme Tack – please do not bother the Event Organizers, if you have questions, please find the AHTA Rider Rep at the event.

Ribbons and prizes will be awarded at the AHTA Year End Banquet.

Once again thank you to sponsors Extreme Tack.
