

SHANDISS MCDONALD BIO

I'm a professional equestrian with my main focus being Three Day Eventing. I've been fortunate to have had the opportunity to compete all over Canada, the United States and Europe. In 2012, I was chosen to be the reserve rider for the Canadian Eventing Team at the London Olympics with my horse Rockfield Grant Juan. It was an incredible experience! I finished 16th at Rolex Kentucky CCI**** in 2013 as well as a successful finish at Pau CCI**** the same year. I was given an opportunity to compete and train in England with my horses from 2013 to 2015 and that experience was invaluable to my equestrian education.

I've been fortunate to work with several top trainers from all over the world and I've used that knowledge and experience to help shape my own training and coaching program. I absolutely love to teach and I have an amazing group of students that compete in Dressage, Show Jumping, Hunters and Eventing.

In 2015, I purchased a training facility in Mono, Ontario and I'm grateful to have a talented string of competition horses and a passionate group of students that I'm helping move up through the levels.
