ALBERTA HIGH PERFORMANCE TEAM

Alberta Horse Trials is proud that 2019 marks the twelfth year of the Eventing High Performance Program.

The Eventing High Performance (HP) Program is aimed at identifying and developing Alberta riders, horses and coaches. Riders, meeting the membership criteria, are invited to register in the program for the following season. Active Eventing coaches are welcome to audit all HP riding sessions at no charge.

As far as we are aware, this is the only such program for Eventers in Canada. This program does not supply full time coaching. The members are expected to be in a program with their own coaches. The members receive support from the High Performance Coach/Consultant by attending clinics and educational sessions organized through the High Performance Program. They are encouraged to bring their coaches to audit the riding sessions so that a Training Program can be developed and discussion can be had regarding what may be lacking in the rider's individual training program as they move up the levels to start training and competing at the upper levels of Eventing.

The High Performance Coach/Consultant for 2019 is Leahona Rowland, from Kelowna, BC. The High Performance Chairperson is Kathleen Ziegler. The High Performance Committee will consist of the current Coach/Consultant; the current HP Chairperson; a current Senior rider and 1 additional person involved with High Performance (could be a rider or a parent).

Our members have had many educational opportunities previously that included attending the Alberta Sport Leadership Conference. We also had sessions with Mental Performance Consultant Kara Stelfox B.Kin.(Hon.), M.A., CSEP-CEP; Physio Therapist Sandra Sokoloski BScPT, CGIMS, FCAMPT; Social Media Behaviour/Promotion with Paige Dinnie; and Coaching Certification Q and A with AEF Coaching CoOrdinator Erin Lundteigen. Clinicians for the riding included Canadian Eventing Team members Jessica Phoenix and Kyle Carter; US Eventing Team member Matt Brown and HP Coach/Consultant Leahona Rowland.

Follow along for the season with blogs and more at:

<http://albertahighperformance.com/>

RIDER REPRESENTATIVE

Attends or appoints an alternate to attend all events. The purpose is to provide a vehicle for riders to communicate with event organizers or to find out where to go for various types of assistance. The name of the Rider Representative (or alternate) must be posted on the scoreboard, along with instructions for contact. Riders wishing to make a point with regard to a jump, or the course itself, or any facet of the competition, should do so through the Rider Representative.

The Rider Representative, however, does not handle protests. Competitors wishing to put in a protest must do so as indicated in EC Rules. EC Rules will always supersede any authority of the Competitions Committee or rider Representative. Any complaints regarding an event should be given to the Rider Representative to bring to the attention of the Competitions Committee and the AHTA, who can then open discussions with those concerned.

The Rider Representative should also be able to direct riders to the appropriate people or officials to obtain assistance where needed. In order to protect against liability situations, the Rider Representative must be careful not to dispense advice with regard to coaching techniques or the giving of instruction, but rather is to direct competitors to the right source in order to find the help they may need.

Tips for First-Time Competitors

Or anyone who might like to try!

If you are thinking of trying eventing out for the first time, you might want to try the Starter or Pre-entry division. These dressage tests requires only walk, trot and canter in a series of relatively simple patterns. The cross country can be ridden at a slow steady canter, giving you plenty of time to drop down to the trot for fence approaches if you want. The stadium jumping will also be straight forward and encouraging with no combinations.

Tips

- Enter early! Classes fill quickly.
- Remember you need the appropriate memberships.
- Know the rules. A rule book can be downloaded from Equestrian Canada (www.equestrian.ca)
- Be in condition; this is not just a test for the horse! Plus, time spent conditioning your horse is time well spent in developing trust and confidence between the two of you.
- Walk the cross country course several times.
- Ask questions. Eventers are very friendly and help each other.
- Never go faster than you need to!
- Don't forget the mandatory tack checks before each phase.
- Always keep the RED flag on your RIGHT hand side (in practice rings AND on course).
- In the dressage test, wait for the judge's signal before entering the ring.
- In dressage, use a white or black saddle pad if possible. It is customary to braid your horse's mane, but not the tail.
- Don't forget to salute the judge at end of your dressage test. Learn the correct salute (you can ask a fellow eventer or the ring steward about this).
- In the stadium jumping test, salute the judge and once you hear the signal you have 45 seconds to cross the start line.
- Say thank you to the organizer and volunteers.
- Bring a friend to help out, and share the day's fun with you.
- Most importantly; HAVE FUN!

RULES

There are many important rules in eventing. Please print out and read the Equestrian Canada Eventing rules at the link below. We also suggest that you attend an AHTA Eventing 101 clinic.

Tips for Event Spectators

Spectators are very welcome at all phases of Horse Trials

Competitors enjoy performing for an audience, and being appreciated for their efforts. Feel free to ask questions at the show office, or of anyone who is not busy with a horse, or judging and scoring. Please remember that the competitors are probably quite focused on what they are doing, and that **HORSES HAVE THE RIGHT OF WAY AT ALL TIMES.**

A cry of "HEADS UP" means clear the way, quickly!

For your own and our competitor's safety, please remain alert to the following precautions:

- If you are not familiar with horses, be aware that they are large, unpredictable animals and are easily frightened by sudden movements, sounds and unfamiliar sights.
- Horses are often spirited at shows, and can, at times, be difficult for a rider to control. Please give horses and riders ample room to maneuver.
- Avoid startling horses by running or shouting, and advise your children to keep well back.
- Dogs must remain on leash at all times. No exceptions please!
- In the stabling area caution is advised; though rare, some horses may bite or kick under the stress of competition. Respect all signs, always ask first and you will find most competitors will be pleased to introduce you to their horse.

During the **DRESSAGE** phase, a lot of concentration is required on the part of horses, riders, and judges. Please remember to keep as quiet as possible, and stay a reasonable distance from the dressage rings. No allowance is given if a horse is frightened by something outside of the ring, and the competitor may lose marks through no fault of their own.

Eventing and Horse Trials are thrilling sports for spectators to watch, and with appropriate attentiveness, we're sure you will enjoy the competition!

CROSS-COUNTRY day can be tense for everyone. Competitors are focused intently on the job at hand, and often horses too, appear excited about the upcoming challenges. The rider will be concentrating on their best route on course, and may not be aware of a spectator crossing their path. While you are welcome to walk along and watch anywhere along the course, it is vital you are at no time on a path a horse and rider may be using. Some jumps offer optional routes,

When near cross-country obstacles, it is wise to hold on to small children, and be quiet and still to ensure the only challenge the approaching riders and their mounts face is the jumping obstacles! The riders will still be penalized for a refusal or run-out even if caused by a spectator's unintentional distraction.

Remember that competitors will be eliminated if any assistance is given to them, even if they don't ask for it. Don't talk to them, point the way or 'coach' from the sidelines. Cheering them on is most acceptable and encouraged! Safety considerations do allow spectators to help in the event of a fall of a rider. If a rider is off their horse, you may help to catch the horse. It is also legal to hand whip, headgear, or eyeglasses back to a rider without their having to dismount. Always consider your own safety first; galloping unmounted horses are not easy to deal with!

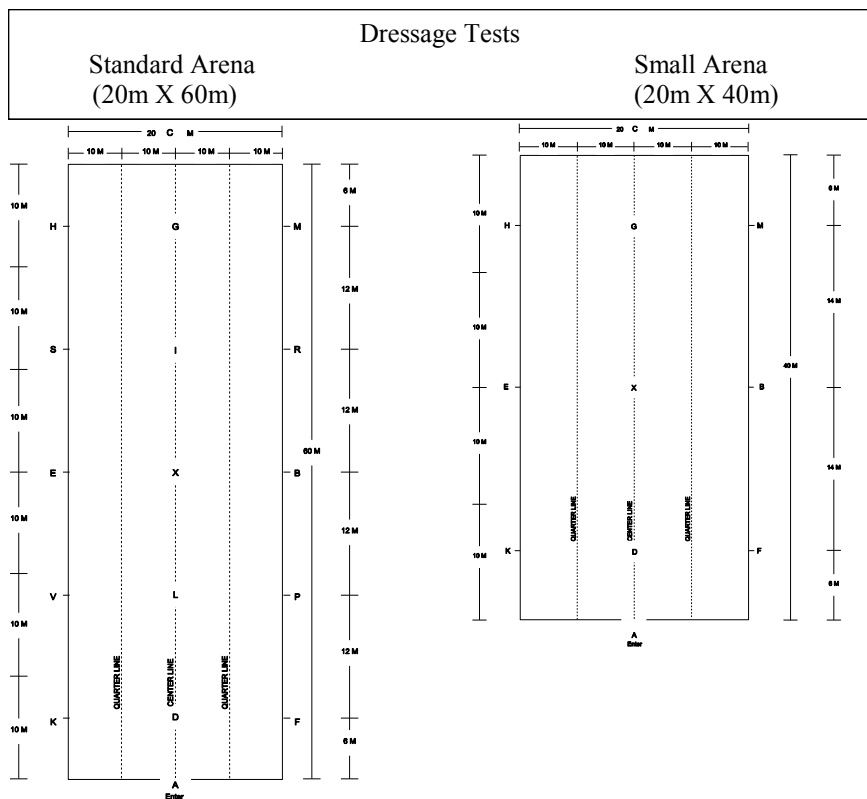

In **STADIUM JUMPING**, spectators often line the arena fences to gain the best view of this last and often nerve wracking phase. Again, no unauthorized assistance or “coaching” from the sidelines is permitted. Usually the order of go is the reverse order of placing. The competitors require intense concentration and appreciate if noises and distractions, such as barking dogs, are kept to a minimum.

Be sure to applaud loudly for each rider at the end of each round, for now their job is done & it is hugely satisfying to be recognized for all their hard efforts!

Important checklist for spectators :

- ✓ **Horses have the right of way at all times.**
- ✓ **“Heads up” means clear the way, quickly!**
- ✓ Dogs must be kept on a leash at all times.
- ✓ Keep your children well back and under your control.
- ✓ Give horses and riders ample room to maneuver.
- ✓ Be aware that routes and obstacles may differ for each rider! Don't wander onto a path a horse/rider may be using as a cross-country route.
- ✓ Keep as quiet as possible, and stay a reasonable distance from the dressage ring and cross-country obstacles.
- ✓ During all phases, competitors require intense concentration. **Avoid/control** loud distractions like children running or sudden movements.
- ✓ A frightened horse may not be under the rider's control! Stay clear.
- ✓ Caution is advised in the stabling area and around horse trailers where horses are tied; always ask the rider first if you can approach their horse.
