# PROVINCIALY

## Mandated Levels

### INTENT

*Introduce horses and riders to the sport.*

*Courses should be progressive and inviting.*

### CROSS COUNTRY

- Speed fault begins at 400 mpm. Speed windows apply as per EV85 rules.
- Single jumping efforts only
  - Minimum 10 strides between fences
- No drops
- No mandatory water
- Courses should be simple & inviting, with considerate placement of fences on flat or gentle terrain
- Use of clearly differentiated colors is recommended, avoiding reflective materials, gloss paint, or shiny varnishes.

### SHOW JUMPING

- Maximum Speed: 300 mpm
- No combinations - a minimum of 4 strides between fences
- A maximum of 30% jumps are permitted at maximum height

## EV60 LEVEL

Maximum height: 60 cm  
Maximum width at top: 60 cm

### Cross Country:

- Optimum Speed: 300 mpm
- No obstacles without height

### Show Jumping:

- Maximum speed: 300 mpm
- No oxers
- Rails only - no fill, planks, boxes...

## EV75 LEVEL

Maximum height: 75 cm  
Maximum width at top: 75 cm

### Cross Country:

- Optimum Speed: 325 mpm
- Obstacles without height must have an option
- There may be one combination. Fences must be a minimum of 6 strides apart and numbered separately. They must be of favorable appearance and in an inviting open area.

# LET'S GET TO KNOW

## EV 105

### WHAT IS EV 105?

A new level introduced to bridge the gap between EV100 (previously training level) and EV110 (previously preliminary level). It is set to the height of 1.05m and has an increase in technicality in all three phases from EV100

### RIDER SPECS

Rider Minimum Age: 12 Years

Horse Minimum Age: 4 Years

Qualification Needed:

Minimum 2 CMER at EV100

EC License Level: Silver Sport

### COURSE SPECS

**XC Speed:** 500mpm; **XC length:** 2000-3000m;

**XC efforts:** between 18 and 25; **fixed jump**

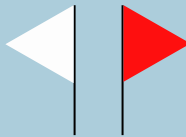

**height:** 1.05m, **brush:** 1.25m; **spreads:** 1.6m

base and 1.8m obstacle no height; **drop:** 1.4m

**Show jumping speed:** 350mpm; **SJ height:**

1.05m; **SJ oxer spread:** 1.25m; **triple bar**

**spread:** 1.45m

### WHY SHOULD I RUN EV105?

The EV105 level is a great stepping stone between the EV100 and the EV110 level. It has similar technical elements to EV110, but with a more inviting height of 105cm. Often distances are set to have more strides but the same questions on the EV110 course, allowing for riders and horses to build confidence. Thinking of running an FEI or EV110? Try a EV105 first!

**YOUR NUMBERS ARE ORANGE ON BLUE**

- **AEDs purchased for High Performance & clinics**
  - These devices are key life saving devices in the event one of our members, or those coming to support riders, requires assistance.
- **First Aid Training for members**
  - AHTA offered a discounted rate to those wishing to take first aid to improve emergency response when at home, clinics and shows.
- **Fall Safe Clinic held for members**
- **Cross Country Safety & Course Design education course**
- **Development of an AHTA Rider Representative form**
  - This allows for effective & organized feedback from any issues from the event sites and membership to the board and the organizers
- **Event Evaluation Forms for membership**
  - This allows membership to provide feedback about events they have attended - the form can be found on our website under the Competitions tab

The AHTA has been collecting safety information from Alberta event technical delegate reports and Startbox since 2019. We are starting to be able to report on some general safety trends at our events, such as rider falls, horse falls, and eliminations in all phases.

**Trends: Rider fall rates are improving!**

In 2019, we were seeing 1 in every 23 riders falling

In 2022, we saw a fall rate of 1 in every 88 riders

**AHTA**

**SAFETY  
INITIATIVES**

# RIDER REPRESENTATIVES

A selected AHTA Director acts as the Rider Representative at each event. The purpose is to provide a vehicle for riders to communicate with event organizers or to find out where to go for various types of assistance. The name of the Rider Representative will be posted on the scoreboard, along with instructions for contact. Riders wishing to make a point with regard to any facet of the competition should do so through the Rider Representative. Any complaints regarding an event should be given to the Rider Representative to bring to the attention of the Competitions Committee and the AHTA, who can then open discussions with those concerned.

The Rider Representative, however, does not handle protests. Competitors wishing to put in a protest must do so as indicated in Equestrian Canada Appeals Policy. EC Rules will always supersede any authority of the Competitions Committee or Rider Representative.

In order to protect against liability situations, the Rider Representative must be careful not to dispense advice with regard to coaching techniques or the giving of instruction, but rather is to direct competitors to the right source in order to find the help they may need.

# High Point LEADERBOARD

1. Points will be calculated using all Alberta competitions up to preliminary level, and including Out Of Province results for EV105 and above. Awards will be given annually at the Awards Banquet to the horse/rider combinations who have accumulated the highest number of points in the current season. In the event that no competition at that level is held in the province, then the award will be given to the AHTA member who has accumulated the most points.
2. Prizes to 2nd place. Ribbons to 6th place.
3. Points are calculated and awarded as per the Table of Points. For NAYC, in addition to all other points possible, an extra 10 points will be awarded to riders who START the competition.
4. If a rider eligible for Regular class entry receives points in an Open class (where no Regular one is offered), those points will be awarded in the year end Regular class of the division.

## **Tie Breakers:**

1. Number of firsts. Rider with highest number of first place finishes at division qualified for
2. Number of entries placed above in events where points were earned in division qualified for (cumulative over events in competition years)
3. Higher number of Alberta Events attended in the competition year at division qualified for

# TEAM COMPETITION

Grab your barn mates, fellow horse gang, or the stranger filling water buckets at the event, and sign up a team! Each event counts as its own competition, so you can switch up teams each time if you wish!

**TEAMS CONSIST OF A MINIMUM OF 3 RIDERS, TO A MAXIMUM OF 4. A MAX OF TWO RIDERS CAN BE IN THE SAME DIVISION. IF A RIDER HAS MORE THAN ONE HORSE AT THE EVENT, EACH HORSE AND RIDER PAIRING CAN BE CONSIDERED ONE SEPARATE MEMBER OF THE TEAM, PROVIDING THAT YOU STILL HAVE MIXED DIVISIONS.**

**Only the top 3 scores (lowest penalties) of the event will be counted - the highest score will be dropped.**

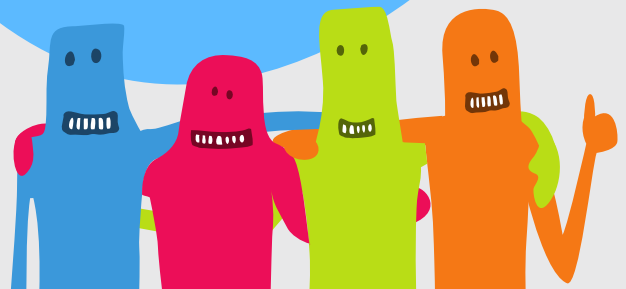

As to not eliminate teams, a score of 500 will be given to a W, R, E, or RF.

**All forms must be completed prior to the start of dressage. Please make sure to fill in completely!**

*You can sign up online at our website OR by scanning this QR code:*

This is offered by the AHTA & Extreme Tack - thank you to Extreme Tack for their continued support! Ribbons and prizes will be awarded at the AHTA Year End Banquet.

# YOUNG PROSPECTS PROGRAM

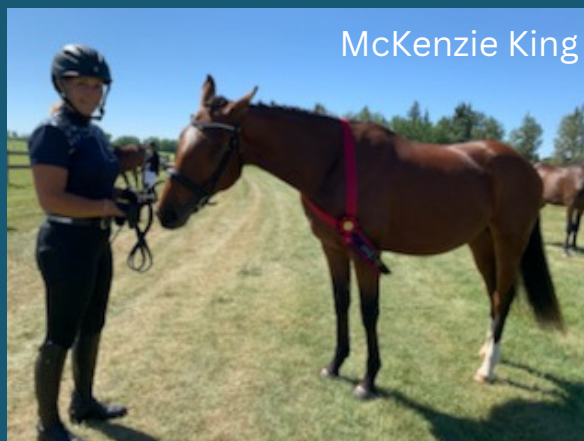

*Submitted by Brenda Thompson*

The AHTA Young Prospects Program was started in 2016 and continues to provide an opportunity for developing young competition horses in Alberta. Each year we have had a good balance of young stock in the Two & Three year old classes, Four and Five year old groups, as well as some exciting New Prospects.

Our top score horses of the day for 2022 were as follows:

- New Prospects: Rhetorical - Lauren Kornelson
- Five Year old: Equites Sauteur - Caitlyn Sutherland
- Four Year old: Port Rouge - Leah Breakey
- Three Year old: Callisto - Dagmar Fortmuller
- Two Year old: McKenzie King - Lindsay Stewart

Here is a look at the high score youngsters from 2022!

Sponsors for the 2022 Young Prospects Program were:

- The Thomas Family
- Hashbrowns Homestead Supplies
- Moore and Co Veterinary Centers
- Riding Defined
- Four Winds Saddle Services

This year the 2023 Young Prospects Evaluation will take place again at Alhambra Stables on Thursday, August 17th, leading into the Alhambra Summer Event. Looking forward to seeing what this year's evaluation brings for nice youngsters and how the younger group from last year is developing.

In addition to High Score awards for each of the designated classes we will have, once again this year, the Thoroughbred Incentive Program Awards. If you have an OTTB, be sure to get your TIP registration number- it's free and just another way you can enjoy your off the track thoroughbreds in the sport of eventing.

For more information on the AHTA Young Prospects Program you can access the full AHTA YPP Rules Handbook and other pertinent information on it's own page on the Alberta Horse Trials website.

Registration will be available online so watch for the opening date for registrations to be released soon.

If you would like to become more involved with Sponsorship or in any other way, contact Brenda Thompson at [riversideequestrianrd@gmail.com](mailto:riversideequestrianrd@gmail.com)

# ***ALBERTA HIGH PERFORMANCE EVENTING PROGRAM***

Alberta Horse Trials is proud that 2023 marks the sixteenth year of the Eventing High Performance Program.

The Alberta Eventing High Performance (HP) Program is aimed at developing Alberta riders and horses that are competing at the Training level and above, who are interested in pursuing the sport at the upper levels. The program is separated into three tiers - the High Performance Team (riders who have completed 3 Prelim level horse trials) and the Development Team (riders who have 3 Training MER and are getting ready to move to the Prelim level) and U18 (riders who are aged 12-18 years and have at least 2 PreTraining MER). Riders, meeting the membership criteria, are invited to register in the program for the following season. Active Eventing coaches are welcome to audit all HP riding sessions at no charge.

This program does not replace full time coaching, but is in place to supplement and help guide a full program. HP members are required to be in a training program with their own coach(es). The team members are encouraged to bring their coach(es) to audit the riding sessions so that performance planning and skills assessment can be discussed including all parties involved in a rider's program.

Leahona Rowland, from Kelowna, BC, is entering her seventh year as the HP Coach/Consultant. Leahona is a High Performance 1 Certified Coach. The AHTA High Performance Chairperson is Kathleen Ziegler.

Our members have had many educational opportunities over the past number of years. In addition to lessons with Leahona, previous clinicians have included current and past Canadian Eventing Team members Peter Gray, Lynda Ramsay, Jessica Phoenix, Kyle Carter and Shandiss McDonald; US Eventing Team member Matt Brown; FEI Veterinarians Dr. Karen Nyrop and Dr. Alyssa Butters; as well as veterinarian Dr. Sarah Pedersen, registered Psychologist April Clay and equine nutritionist Tanja Minder BSc Ag EEBW.

# Young Rider Championships

We had 6 Young Riders compete at the USEF Eventing Young Rider Championships at Tryon International 3 Day Event, Nov 9-13, 2022 in Mill Spring, North Carolina. They had a week long training camp with Team Coach Kyle Carter at Five Ring Stables in Citra, FL before heading to Tryon for the

competition. Mother Nature threw a variety of weather at the competitors over the course of the competition. From hot sun to torrential downpours thanks to the passing hurricane, the riders had a lot more to contend with than just the competition. They had a wonderful experience and we are so proud of them!

**Team Coach:** Kyle Carter

**Chef D'Equipe:** Kathleen Ziegler

We would like to congratulate Caitlyn Sutherland for finishing 11th in the CCIYR2\*-L, and winning team silver for Team Canada with her fellow competitors from Quebec!

Our CCIJYR1\*-L riders all tackled their very first FEI; congratulations to Madeleine Shank for placing 10th, Anna Nelson placing 12th, and Mackenzie Hoffman placing 16th! Sadly McKenzie Saker was eliminated on cross country, but no doubt she will be back to fight another day. Our Team Alberta placed 4th in the team competition.

Our CCL3\*-L individual Mikayla Hoffman had an amazing clear cross country round on Saturday over a tough course which caught out many more experienced pairs, and was sitting in bronze individual medal position, but sadly Eli did not pass the jog on Sunday.

Thank you to Kyle and Jennifer Carter Eventing, Kathleen Ziegler, Equinavia (Horze), Fun Bonnets, Lesley McGill (Saddle Doctor), Equestrian Canada, Alberta Horse Trials Association, Matt & Jeramie-Lee Nelson, Extreme Tack, Alhambra Stables, Mind's Eye Ranch, Wedins, Alberta High Performance, and Canadian Eventing Development Foundation!

# SPECTATORS

During the dressage phase, a lot of concentration is required on the part of the horses, the riders, and the judges. Please remember to keep as quiet as possible, and stay at a reasonable distance from the dressage rings. No allowance is given if a horse is frightened by something, which would cause the competitor to lose marks.

Cross country day can be tense for everyone. Competitors are focused intently on the job at hand, and may not be aware of a spectator crossing their path. While you are welcome to watch and walk anywhere on the course, it is vital that you are at no time on the path a horse and rider may be using. Be aware that some jumps offer optional routes. Hold onto small children and dogs, and be quiet & still near cross country obstacles. The riders will be penalized for run outs or refusals no matter the reason!

In stadium jumping, spectators often line the arena fences to gain the best view of this last and often nerve wracking phase. Usually the order of go is the reverse order of placing. Noises and distractions should be kept to a minimum, as the competitors require extreme concentration.

Please keep in mind:

- Horses have the right away at all times
- "Heads Up" means clear the way quickly!
- Keep your children & dogs well back and under control
- Maintain a reasonable distance from the dressage ring and cross country obstacles
- Competitors will be eliminated if any assistance is given to them. Don't talk to them, point the way, or coach from the sidelines
- An excited or frightened horse may not be under the riders control- stay clear!

*Cheering is encouraged!  
Have fun!*

## A FEW TIPS TO KEEP US ALL SAFE!

- Horses are large, unpredictable animals and are easily frightened by sudden movements, sounds and unfamiliar sights
- Horses can be difficult to control - please give horses and riders ample room to maneuver
- Avoid startling horses by running or shouting, and advise your children to keep back
- In the stabling area, caution is advised. Respect all signs and always ask before interacting with horses

# WELCOME

## FIRST TIME COMPETITORS

This sport is an exciting discipline and offers a fun & supportive community.

The eventing levels in Alberta start with the EV60 and EV75 divisions. The dressage tests in these divisions require walk, trot and canter in a series of relatively simple patterns. The cross country courses can be ridden at a slow steady canter, giving you plenty of time to drop down to the trot for fence approaches if you want. The stadium jumping will also be straight forward and encouraging.

We've outlined some of the expectations in this handbook - flip back a couple pages to take a look!

## Here are some other good suggestions to get you started in eventing:

- Work with a certified instructor that has experience with cross country
- Enter events early- they can fill up quickly. Payment secures your spot.
- Make sure you have all the appropriate memberships
- Know the rules - find the rule book on Equestrian Canada at <https://www.equestrian.ca/programs-services/rules>
- Be in condition; this is not just a test for the horse!
- Walk the cross country course several times
- Ask questions! Eventers are very friendly & love to help
- Don't forget the mandatory tack check for dressage
- Always keep the RED flag on your RIGHT hand side - this goes for warm ups & on course
- In the dressage test, wait for the judge's signal before entering the ring. Use a white saddle pad & braid your horse's mane.
- Don't forget to correctly salute the judge at end of your dressage test
- A thank you to the organizer & volunteers goes a long way!

# STARTING CAN BE DAUNTING

## Which division do I choose?

**Open Division:** Intended for experienced horse-rider combinations who have demonstrated results at a higher level

**Regular Division:** Intended for horse-rider combinations just starting out in competition, or upgrading to a new level

## Scoring

- The object is to get the very lowest possible score, since the scores are calculated as 'Penalty Points'
- Your dressage score is calculated at "however much less than perfect" out of the highest score possible
- From there, your aim is to add no more penalties to your dressage score with your jumping phases
- You can add penalty points to your score in cross country with refusals, or if you exceed the optimum time or finish under the speed fault time
- You can add penalty points to your score in stadium with refusals, knocking rails down, or exceeding time

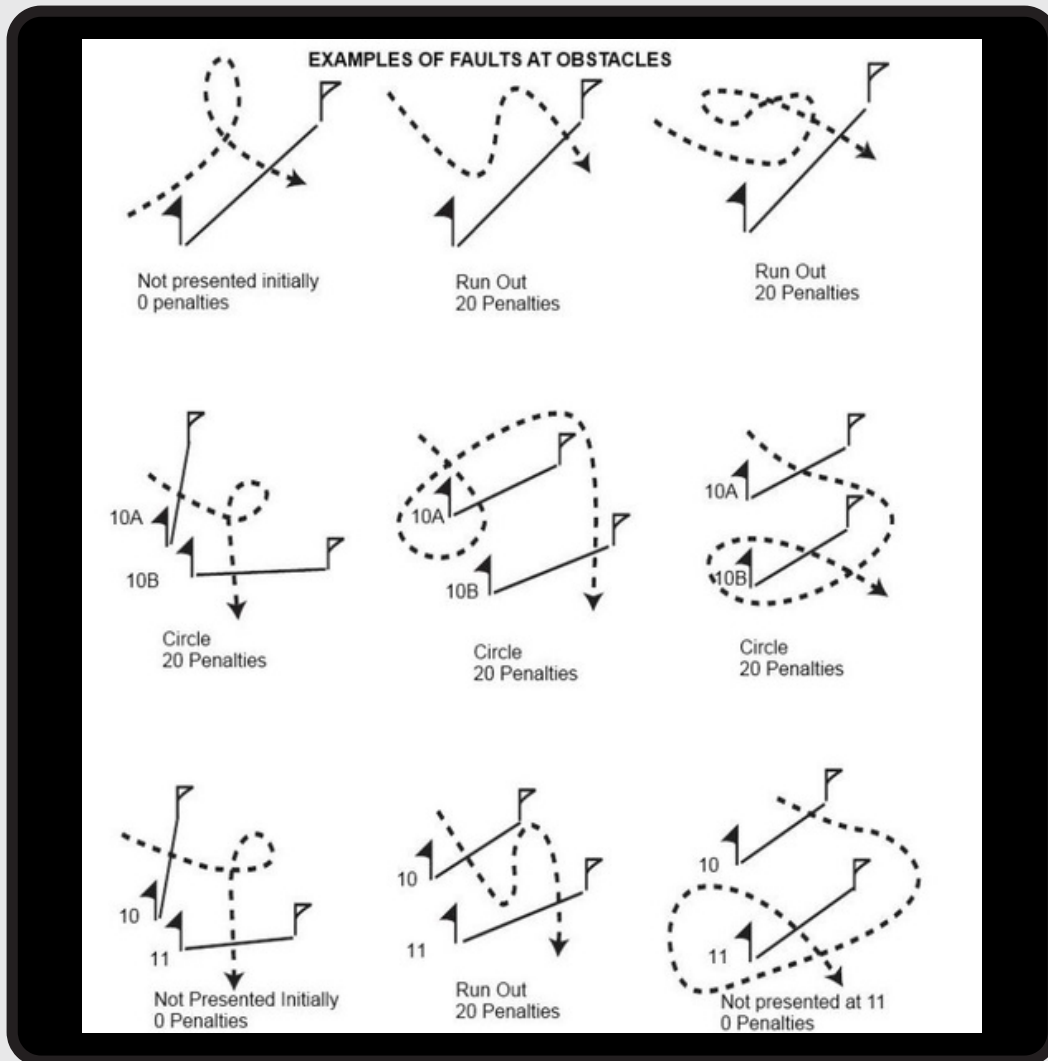

### Stadium Jumping

Knocking down an obstacle - 4 points  
1st disobedience on course - 4 points  
2nd disobedience on course - Elimination for EV120, EV115, EV110 divisions  
2nd disobedience on course - 8 penalties for divisions up to and including EV105  
3rd disobedience on course - Elimination for divisions up to and including EV105  
Over time - 0.25 points per second

### Cross Country

1st disobedience - 20 points  
2nd disobedience at same obstacle - 40 points  
3rd disobedience at same obstacle - Elimination  
4th disobedience on course - Elimination  
Over optimum time - 0.4 points per second  
Under speed fault time - 1 point per second  
Activating a frangible device - 11 points

## Here are some diagrammed examples of cross country refusals & permissible lines:

- Pay attention as to whether the obstacles are numbered separately or as a combination
- A refusal is whenever your horse stops at an obstacle so that you have to re-present, or takes a step backwards at the obstacle
- A run out occurs if the horse has been presented to an obstacle, but avoids the element in such a way that it must be presented again.
- On XC you are not required to re-jump all the elements of a combination, if you have a refusal or run out at any one of them. You may re-jump all the elements if you wish, or just re-present at the element you had the refusal or runout.

***Please note that this is only a summary - the EC Rule Book will be your best resource!***

HAVE FUN!

# COMPETITORS, PLEASE REMEMBER....

Please read through your whole show package at each competition!

In an effort to not crowd the warm up rings, please be mindful of not heading over too early.

Tack check is only mandatory for dressage, and although recommended, is provided as a courtesy for the other two phases.

If you are eliminated or retire on cross country, you still have to report to the finish line personnel. Please get off the course as quickly as possible, *then* head to finish - you do not have to bring your horse.

Thank  
you!
